

To enable us to service your injectors efficiently please print this form. Complete it, and enclose it with your injectors.

**Please call before sending any injectors for service**, it is a time consuming process and a time slot needs to be allocated to your job.

This will enable us to guarantee a return date, reducing any inconvenience to you the customer.

We aim to service and return your injectors within 48 hours.

All injectors will be returned by "Royal Mail before 9am Next Day Special Delivery" (free of charge)

Trade enquiries welcome.
